Dear Sirs!

From June 15 to June 19, 2010, will traditionally be held the **XXII International Agro-Industrial Fair Exhibition AGRO-2010**. This exhibition is recognized to be the biggest and most prestigious nation-wide event in agrarian sector of economy of Ukraine. The organizer of the XXII International Agro-Industrial Fair Exhibition AGRO-2010 is the Ministry of Agrarian Policy of Ukraine. The XXII International Agro-Industrial Fair Exhibition AGRO-2010 will involve more 2,000 domestic and foreign companies and organizations, and will cover 70,000 sq m and is expected to be attended by at least a half-million the persons.

The event will cover:

The VIII Specialized Exhibition of Farm Livestock, Veterinary Medicine and Animal Breeding Products *Animal'EX-2010*;

The VI National Exhibition of Horse Breeding and Equestrian Sport *EkviSvit-2010*;

The II Specialized Exhibition *Implementation of Resource and Energy Saving Competitive Technologies, Renewable Power Sources, and Biofuel Production*;

The III Specialty Exhibition of Fish Industry *FishExpo-2010*;

Specialized Exposition *New Farming Machinery Manufactured by Companies of the Ministry of Industrial Policy of Ukraine*.

«Agro-2010» will have following thematic sections:

- Farming machinery, equipment and gears
- Energy efficient technologies
- Rural areas and social development of the rural sector
- Food and processing industry
- Plant and seed production, including vegetables and vegetable seeds
- Horticulture and viticulture
- Soil fertility protection
- Animal breeding and veterinary medicine
- Fishery
- Forestry and water management
- Agrarian science, education and advice
- Agrarian market infrastructure
- Investment projects in the agro-industrial complex
- Fair part

The following will traditionally be arranged in the course of the sales exhibition:

- academic and research arrangements (conferences, seminars, workshops, “round tables”, etc.);
- presentations and testing of various products;
- demo shows of machinery in the field;
- pedigree stock show;
- demonstration of scientific and technical accomplishments in the breeding, keeping and care of horses;
- mass cultural events and concerts featuring professional and amateur bands, competitions, etc.

Co-Organizers of the exhibition:

The Ministry of Industrial Policy of Ukraine, the Ukrainian Academy of Agrarian Sciences

We are pleased to invite you to participate in the XXII International Agro-Industrial Fair Exhibition AGRO-2010. We express confidence that it will create new conditions for the further development of our cooperation.

Sincerely,

A.Miroshnikov

Deputy Minister of Agrarian policy of Ukraine
